Citrus Hack

Sponsorship Packet

Fall 2015

Citrus Hack

Dear potential sponsor,

Citrus Hack is the Inland Empire's Premier Hackathon, an event gathering 500+ engineering students from universities all over the world. We aim to have a hackathon unlike any other before and host an event that will demonstrate Riverside's forward thinking mindset. Our focus on this event is to build relationships between sponsors and hackers so great minds can join forces and create cool hacks. Students will compete and collaborate to build programs, applications, and gadgets over the course of 36 hours.

Citrus Hack is set up to be an event with some of the best developers, artists, programmers, product designers, and engineers and will give sponsors an opportunity to get in touch with these incredible hackers. By choosing to sponsor Citrus Hack, you have the opportunity to recruit some of the brightest minds in the Inland Empire. Not to mention that you will also be able to demo your services, send speakers and recruiters, and host interactive booths.

If you are interested in sponsoring Citrus Hack, please see the sponsorship tiers in the table below. If you have any questions at all, feel free to reach out to us at sponsors@citrushack.com and we'll happily answer them. We look forward to having you as a Citrus Hack sponsor!
Best,
The Citrus Hack Team

Sponsorship Tiers
